Since being introduced in 1986, the Gold American Eagle has become the most popular Gold coin in the United States. The obverse features a recreation of Augustus Saint-Gaudens' 1907 Gold Double Eagle design, often considered the most beautiful design in American coinage. Both the obverse and reverse feature iconic American images, embodying the strength and family values so prevalent in American society.

This 2016 Gold Eagle is further enhanced by the NGC label, which guarantees this coin is in perfect 70 condition, the highest grade on the Sheldon Grading Scale. Additionally, this coin features the Early Releases label, ensuring the coin was received by NGC within the first 30 days of release from the U.S. Mint, meaning it is in the highest quality available.
